

INSIDE REC' AND PARKS COMMUNITY BASEBALL

Dinger! Homer! Tater! Giving hope to local fans was the AAABA 20 and under Baseball team who won their third straight national championship game last year, beating New Orleans 13-1. After losing their first game, the team came back to beat Buffalo, Detroit, Michigan, Lansing, Philadelphia and Johnstown, PA. BCRP's baseball teams play on over 30 fields in various parks throughout the city of Baltimore:

Baltimore City Department of Recreation and Parks' Youth and Adult Sports Division is 'stepping up to the plate' and bringing baseball to Baltimore's communities. Our Baseball program has been serving both youth and adults for over 50 years. Studies show that the game promotes good sportsmanship, physical fitness and teamwork.

BASEBALL

Baseball remains a favorite summer past time for many of Baltimore's youth. It endorses competition and encourages them to excel. The summer citywide Baseball and RBI leagues are in full swing and the Little Leaguers are meeting opposing teams with great success. The Youth and Adult Sports Division has added two new leagues to the fall program this year and the season begins Sept. 9, 2006.

SOFTBALL

The Softball program is for both teams and individuals within the various city park districts and has doubled in size since 2004. Youth, women's, men's and co-ed leagues categorize team divisions. Games are currently played on Patterson, Druid Hill, Riverside, Latrobe and Clifton park fields. The fall leagues will begin Sept. 5, 2006.

For more information, please contact Bob Wall or Ed Clark at (410) 396-9392/9492.

FUNDING SOURCES

Major League Baseball endorses the RBI concept and is providing financial support for the program. The Baltimore Orioles cover umpire fees for the 12 & under and 10 & under leagues as well as provide equipment and uniforms for 13-15 and 16-18 teams. A grant by the Cal Ripken Sr. Foundation will fund two new leagues for the fall program. The money will cover umpires for citywide games.
